\* A huge congratulations to Tessa & Sam Hale of Blyth on the arrival of their daughter, Lacey Joyce Hale. Lacey was born at the Women's and Children's Hospital on June 2nd. Pictured right.

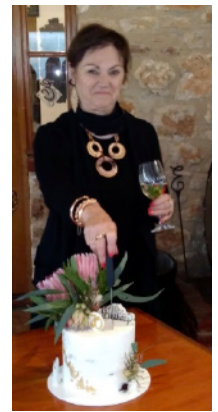

\* A huge congratulations to Caitlin, daughter of Natalie and Gavin McElroy of Blyth, who married Stephen Menelaou. Caitlin and Stephen were married on Saturday May 6th at The Brae in Dawesley. Pictured below.

\* Blyth welcomes Noel and Marie Heinrich who have they recently moved into their new house on JS McEwin Drive. Having originally lived in Lochiel, then to Snowtown for 2 years awaiting for their house to built, they now will be closer to their families.

\* Happy 70th birthday to Judy Wandel who celebrated in style sharing it with friends and family over several weekends. Pictured right.

\* Jim Barrett made a tree change when he discovered Blyth on a drive thru. Previously Jim lived on Hamilton Island, Queensland and decided to move to South Australia. While on his search he came across Blyth and thought it had a nice feel to it. He wasn't wrong as he has enjoyed his neighbours along Moore Street, popping in to welcome him to town.

\* Ashley Schultz and husband Bryce Eldredge welcomed their son, Huey Ray Eldredge on July 27th. Huey was born at the Clare Hospital and is the first grandchild for Kym and Richard Schultz. All are very happy and healthy! Pictured right.

\* The town is fortunate enough to boast a number of defibrillators around town. One is on the west side of the Hotel and available 24 hours a day. The Blyth Bowling Club has one inside their clubhouse and available when the

clubhouse is open. The Golf Club has recently installed a new defibrillator on the northern side clubhouse wall and is available 24 hours a day through to October (Golf President Janet Zweck and Secretary Gabrielle Kitschke with new life saver pictured above) The Blyth Snowtown Football Club also has one when matches at played at the Blyth Oval.

\* Thanks to support from the Wakefield Regional Council & Blyth Progress Association, a "Walk for Wellbeing" was held in Blyth on Saturday July 8th at 9.30am. Walking has proven to have many benefits both physically and mentally and the chilly air certainly woke a few of us!

The walking group commenced from Padnaindi, around the town Oval, across to the Lomandra Trail to the Golf Clubhouse, continued west along the grassy fairways, checked out the Town Dam and the Bike track before returning to Padnaindi to receive a free "Hot Red Shot" Coffee or hot chocolate. Thanks to WRC's Taryn for organising it for our community.

\* Blyth recently woke up to a frenzy of mini rubber ducks, scattered throughout the town. After much confusion, it was revealed that a local couple did the good deed to pop some smiles on some faces the next morning. The school children sure loved counting the ducks on their way to school!

\* Coffee and Chat is held every Friday at 10am at the Blyth Cafe. It is a great way for new, and existing local residents to meet new people in a comfortable and welcoming environment. Someone will always be there, so if you are a new resident to town, or just looking to meet some new people, head to the Blyth Cafe on Friday's at 10am. ### COME & TRY CROQUET

The Crystal Brook Croquet 2023-24 season is fast approaching and at the recent AGM, Simon Hockey took on the role of President, with Kelvin

Bowman maintaining his Secretarial role and Erica Young continuing as Treasurer.

A Gala Day has been planned for Sunday 27th August with players travelling from around the region. It would be great to see locals stop in and watch some matches during the day. This event will be followed by a busy month in the Op Shop as this is the main fundraiser for the year.

It is hoped to have a Thursday evening social season commencing in October for anyone who may like to try croquet in a very casual atmosphere at a great local venue. Equipment will be supplied, and free coaching will be available.

Croquet is one of the most tactical and competitive sports in the world but is also a game for all ages and abilities. There are various forms of croquet, and these social games will be one of the less complicated versions, so please come along and have a try.

For further information contact Lorraine 0400291598, Crystal Brook.

## Blyth Golf Club

All have agreed the course is the best condition anyone has seen. The Club held its annual Ambrose sponsored by Clare Financial Services – Graeme Wandel on Sunday 25th June. 75 golfers took to the course and the young guns from Balaklava won the Men's Competition. The local Eime Clan (Brayden, Tyson and Dad Mark and Mum Kim, pictured below) won the Mixed Team Competition followed closely by Captain Barb's team.

On July 5th, the club held a Pink Day to raise funds for Breast Cancer. The morning started with a game a golf with a pink golf ball that was not allowed to get lost at all costs – the pressure was enormous! At 2pm an afternoon tea was held with games and guest speaker, Blyth Club member, Jenny Bishop. Jenny spoke positively about her journey so far, after being detected with a lump in her breast at the most recent visit to the Mammogram Bus at Clare. Jenny's main message was "Check your own breasts regularly and visit the Mammogram Bus when the letter arrives". \$725 was raised from the afternoon and thankyou to everyone who attended and donated. (pictured below)

On July 13th 66 golfers from around the state competed in the SA Vets Championships in ideal conditions at Blyth. The members had the course looking great, the bbq cooks and ladies presented delicious food and many compliments were made of the whole day. Neville Johnson (a past Champion of the Club) had one of his best rounds and took home the Championship trophy.

The Blyth ladies ventured to Two Wells Golf Club to play in the Mid North Ladies Teams Day. The four ladies, Kerryn Mugge, Denby Wandel, Janet Zweck and Heather Williams (pictured below) were ecstatic to come home with the win. This is only the second time the Blyth Club has won this day.

The Don & Beryl Victor Memorial Trophies were recently played and newcomer to 18 holes, Gabrielle Kitschke, was delighted to win her first Blyth trophy. Mark Howard won the Don Victor Trophy with his best round ever on the Blyth course. Congratulations... (right)

The Club enticed Professional Coach Anne Marie Knight of West Beach to the Blyth course to give group and individual lessons in July. 19 of our members took up the offer and were all delighted with the instruction received – time will tell if they put the instruction into good practice..

## Blyth Netball Club

June Long Weekend saw many of our netballers and officials compete at the Country Championships. Thanks to Bernie Altmann for coaching the 13U to the Div 1 Grand Final, Maddy Zweck for umpiring on the Saturday and Rachel Bell for being Team Manager for the U17 team.

U11: Georgia Schramm, Harper McCormack & Taylee Clifford  
U13: Kartia Altmann  
U15: Greta Pratt  
U17: Millie Roberts

Well done to Taylee Clifford and Georgia Schramm for also representing our club and playing SAPSASA Netball in late June.

We've returned to the Blyth Sports Ground for home matches during June and July which has been fantastic. North & South Clare have been using our grounds for the past 18 months whilst their precinct has been constructed and is now ready. Thank you to the many volunteers who help prepare behind the scenes and run the grounds for all to enjoy.

With only two games left of the minor round many of our grades will still need a few wins to make finals. A1's & B2's have secured their finals campaign and they're performance has been fantastic. Be sure to go out and support all teams during the final minor rounds and finals series.

Settlement Ball was held on July 29th out at the Bigg's farm with 110 people in attendance. Thanks very much to the Cats Social Committee for organising such a fun event for our members and friends.

We invite all Past Players to come along to Snowtown on Aug 12th vs Southern Saints to celebrate our club. This will coincide with the 10 year reunion for the 2013 A Grade football and A1 netball premiership reunion and also Sponsors Day. All Sponsors have been invited to attend. Nibbles will be on offer by On the Plains Grazing and Catering from 2pm.

On July 22nd Hayley Zweck celebrated her 300th Senior Game at Blyth against BSR. Her A2 team had a fantastic win by 10 goals after having numerous narrow losses.

Our club will be hosting the NEFL/NENA Prelim Final at Snowtown on 2nd September and our combined club Wind-Up will be held on Sunday 10th September @ Snowtown after the Grand Final.

Go Cats!

## Blyth Football Club

### Junior Football

We had a group of lads attend the Broughton/Mundoora U12 carnival on the 30th July. They won one game out of four, but were a chance to win in all games. Well done to Henry Fabian who was awarded Blyth Snowtown's player of carnival. Thanks to Rohan Welke for taking time out of his busy schedule to volunteer his time as coach.

A couple of weekends ago U12 Players Josh Hentschke, Lenny Weckert, Max Williams, Sam Hayes & Ryan Pudney were randomly selected to play at half time of the SANFL Eagles. By the smiles on their faces, they all had a great day.

Above: Josh, Lenny, Max, Sam & Ryan at the U12 half time game.

Our numbers have again been fantastic this season, with only the U14's requiring a few players from the opposition. Our U9 & U12 & U17 have often been required to share players to the opposition on a regular basis and as a club we have been really proud of their attitude when this occurs, they seem to love the challenge of standing one of their Cats teammates. Thanks to the families who keep inviting, welcoming, and including new families to our club, it's evident our club is doing great things as the numbers continue to grow. I encourage families to keep promoting our club to potential junior and senior players to ensure our future remains bright.

### Senior Football

Although our A grade haven't had the wins they deserve this season, I have been proud of their efforts. They have been heavily affected with long term injuries to key players, which has been tough. All club members have been behind them all season and were extremely pleased to see them get a much deserved win last weekend in front of a large Cats crowd. The win was topped off with a great night at the annual Cats Settlement Ball held that night. The B grade have had an inconsistent season again due to injury and players away and have been propped up at times with 7 players from the U17's. These young lads have been a credit to themselves. It is no easy feat playing 2 games back to back, but we hope by exposing our U17 players to senior football it will hopefully hold the club in good stead for future years.

### U15 Association Football

On the 28th May Seth Angus, Coby Bigg, Charlie Kells, & Hudson Rogers were selected in the NEFL side for the U15 Association Carnival. NEFL finished 2nd at the carnival, with wins against APFL, NAFA & YPFL with their only loss to Barossa & Gawler FL. Coby was named joint captain and was invited to participate in the Woodville West Torrens Eagles U15 Country carnival which was played over 3 days of the school holidays.

### U17 Association Football

On Saturday of the June Long Weekend, we had Drew Bertelsmeier, Tyler Bigg, Beau Warner & Jack Welke represent the Cats in the NEFL U17 side. Tyler was named joint captain and was fortunate to be awarded NEFL's best player award. They unfortunately they didn't get a win, but all games were close.

Above: U17 NEFL Reps: Tyler Bigg (captain), Jack Welke, Beau Warner, Drew Berteksmeier

### A Grade Nutrien Cup

Congratulations to Joel Bertelsmeier who was named as emergency in the NEFL A Grade side. Although he did not get to take the field, at only 19 years old this is a great achievement and he has a great future ahead of him.

### Woodville West Torrens Football

This year we have again had great representation at an SANFL level and I would like to formally congratulate the following on their achievements:  
U15 WWT Eagles Country Squad - Coby Bigg  
U17 WWT Eagles Development Squad - Drew Bertelsmeier, Tyler Bigg & Beau Warner  
U18 WWT Eagles U18 Squad - Tyler Bigg  
Women's WWT Eagles Development Team - Jasmine Elsworthy

### *U14 Association Football*

Matilda Kells has been selected from the NEFL U14 Saturday competition to play in the NEFL U14 mixed association side which will be played Sunday 6th August at Kadina. This is a great achievement for Matilda who we think is the first girl in a very long time if not the first ever to be picked in this side. We wish her all the best for the coming weekend.

Above: U14 Matilda Kells (far left)

### *Country Women's Zone Football*

Congratulations Jasmine Elsworth for being selected in the central zones women's team with games held in the Barossa. This talented young lady also plays netball for the Cats in the A2 and is the co-captain of Light women's side which play on Sundays in the Barossa competition. Earlier in the year she was part of the WWTF league development side. Jas has a great future ahead in women's football.

### *350 games for AJ Wood*

Congratulations AJ Wood who played his 350th senior game for the Blyth Snowtown Football Club on the 17th June and in a special twist played against his brother Ryan who helped chair AJ from the ground. AJ started his football career in the minis in 1995 and was fortunate to win premierships in the A grade in 2007 & 2010 as well as premierships in the B grade in 2014 & 2022, where he was awarded best on ground in the 2022 Grand Final. AJ is well respected with the NEFL community and is a fantastic club person having held many roles within the club and was awarded the Darren Pratt Club Person of the Year Award in 2020. Many are hoping he will reach the big 400!

### *150 games for Jace Andriske*

Another milestone moment for the Cats was Jace Andriske playing his 150th senior game. Jace has played all his junior and senior football at the club, his journey from juniors includes a B grade premiership in 2014 and A grade Vice Captain this season. Jace is a respected teammate and a fantastic club person previously holding The role of Social Committee President for approximately 6 years and a member of the BSFC General Committee. Jace has become the Cats newest BSFC Player Life Member.

### *100 games for Craig Walkley*

Earlier in the season Craig Walkley played his 100th senior game for the Cats against RSMU. His coach Nick Ashby says "Craig is a team first player and is always prepared to play any position on the ground to benefit the side". Craig a respected member of the Cats, is the current B grade captain and member of the BS Cats social committee.

### *Past Players Reunion & Sponsors Day*

The 12th of August is poised to be special day with the celebration of the 2013 A grade footy & A1 netball premierships, BS Cats sponsors day and an invite has also been extended to all past players to come and talk about the fun times they had whilst they cheer on the current junior and senior players. This season the football and netball club have joined their sponsorship and a big thanks must go to AJ Wood, Derryn Stringer and Hayley

Zweck for all their efforts regarding this. Thanks also to our regular and new sponsors who make running a community sports club so much more viable.

### *End of the season*

We have 2 remaining games against Eudunda-Robertstown at Snowtown and North Clare in Clare. At this stage only the U17's have secured themselves a spot in the finals with the B grade needing a few things to go their way to scrape in.

Blyth Snowtown are hosting the Preliminary Final at Snowtown on the 2nd September and will require all member to volunteer their time in some way. Please contact Simone on 0412 755 748 if you have a preferred job and time.

Lock in the following dates:

- . Past players reunion - 12th August
- . Junior Movie Night @ Blyth Cinema - 17th August
- . Hosting NEFL/NENA Prelim Final - 2nd September
- . Blyth Snowtown Cats Wind up - Junior & Seniors/ Netball & Football - 10th September

## Hart Field Site Winter Walk

Farmers and ag industry personnel braved a chilly start for Hart's annual Winter Walk on July 18, though a bit of gas heating and some hot coffee kept around 80 attendees reasonably warm inside for the first part of the event.

Considering new tools to help farmers assess risk v reward when making decisions, with a particular focus on nitrogen applications, was first on the agenda, led by Barry Mudge (farmer / Barry Mudge Consulting), Peter Hayman (Climate Scientist, SARDI) and Rebekah Allen (Research & Extension Manager, Hart).

After a morning tea break, Hart's 2023 intern, Kaidy Morgan gave an overview of her work at Hart and the season so far, highlighting several new projects and a great new animated video series she's been working on, with Episode 1 out now (you can watch it here:

<https://www.hartfieldsite.org.au/pages/resources/from-our-interns/harriets-hart-headlines.php>.

Then, it was out into the trial site where Navneet Aggarwal (SARDI Clare) and Jordan Bruce (Tregrove Consulting) discussed crop safety and weed management issues in lentils, followed by Craig Prior (Elders) and Rebekah Allen (Hart) who are working on a project exploring alternatives to glyphosate, including why we should be considering these options and how to incorporate these strategies effectively.

After that, it was back up to the shed for lunch which was not only a great opportunity for everyone to catch up socially but also valuable time for networking and some great conversations between farmers and our guest presenters.

The next event on the Hart calendar is the Hart Field Day so make sure you keep September 19 free!

## Blyth Management Committee

The Blyth Management Committee (town committee with representatives from all sporting and community groups in Blyth) held their Election of Offices Meeting on 24 July.

The new Chairperson is Janet Zweck, Vice Chairperson Kerry Lee Welke, Secretary Tracey Andriske, Treasurer Kristin Carling.

The next meeting of the Blyth Management Committee will be held on Monday 23 October 2023

### *Pigeon Control*

Our committee have had locals voice concerns about the pigeon problem in Blyth. We have been in contact with Wakefield Regional Council Environmental Health Officer, Keith Butterwick. They encourage owners to self-manage the problem on their own property. Should the problem persist or you know of other areas that have a pigeon problem - they encourage you to speak with Council and if a need is demonstrated Council will undertake a culling program.

For more information on how to control pigeon problems please see the link below

[https://www.wrc.sa.gov.au/\\_\\_data/assets/pdf\\_file/0028/1261945/Pigeon-Management-v1.2.pdf](https://www.wrc.sa.gov.au/__data/assets/pdf_file/0028/1261945/Pigeon-Management-v1.2.pdf)

or contact Tracey Andriske at [blythmc@hotmail.com](mailto:blythmc@hotmail.com) and I can forward the information onto you.

### *South Terrace Upgrade*

Wakefield Regional Council have allocated funds in the 2023/2024 budget to improve South Terrace and surrounding areas. The works will include the following:

- \* Formalise the carpark adjacent to the sporting precinct.
- \* Relocate the main entrance of the sporting ground to the east .
- \* Landscape the area between the road and the carpark.
- \* Install underground drainage from the carpark to west of Muges Court.
- \* Shift the entrance of Mugges Court to the western end as there is a proposal to relocate the war memorial back away from the road and to the east.
- \* Kerbing and sealed shoulder on the southern side of South Tce from Burney St to just west of the proposed entrance to Mugges Crt.
- \* Renew kerbing on the northern side from the old Hospital to Harley St incorporating improvements to the stormwater drainage in August St from South Tce to Moore St.
- \* John St and Harley St intersection upgrade to support heavy vehicle access.

We look forward to some of these projects commencing this year. If you have any questions about the Blyth Management Committee, please do not hesitate to contact Janet Zweck or Tracey Andriske or send an email to us at [blythmc@hotmail.com](mailto:blythmc@hotmail.com)
